## Placement to Investors

Prospect Resources Limited (“Prospect” or “the Company”) is pleased to announce that it has entered into placing agreements to raise A\$1,000,000 via the issue of 100m shares at 1c each.

Subscribers include an Africa focussed private equity fund MBM Capital Partners LLP for A\$750,000 and Sirius Trustees Ltd for A\$100,000 respectively. These two subscription agreements are unconditional. Family interests associated with a director, Hugh Warner, have agreed to subscribe for A\$150,000. The share subscriptions by entities associated with Hugh Warner are subject to shareholder approval.

The funds raised will be used:

1. For general working capital;
2. To fund exploration on the Company’s Zimbabwe gold assets; and
3. To progress the previously announced (29 November 2013) litigation against Alexander Molyneux, Blumont Group Ltd and Pacific Advisers Pte Ltd in relation to a subscription for A\$3.9m worth of shares in Prospect at an issue price of 1.2c per share.

The Company is planning an active 2014 and we do not intend for the above mentioned litigation to distract us from the job of developing our mineral assets in Zimbabwe and Australia.
